

# ISK BIOCIDES, INC.

## Sta Brite<sup>®</sup> R

### Features

- Semi-transparent brown, cedar, weathering gray, or dark gray colors
- Contains natural pigments and Titanium Dioxide UV Blocker.
- Water-based formulation.
- Minimal odor.
- Concentrated formula – Dilutes with seven parts water.
- Water repellent and weather resistant.
- Extends the service life of a cedar roof.

### Benefits

- Allows homeowners to choose from four appealing colors when restoring their cedar roof.
- Enhances natural beauty of the wood and protects against sunlight degradation.
- Environmentally friendly.
- Pleasant to use – Not offensive to homeowners.
- Cost effective – A fraction of the cost of roof replacement.
- Protects against cupping, curling and warping. Also resists mold and mildew.
- Can double the life of a cedar roof.
